Attorney General's Second Set Of Data Requests

=====

Please provide two (2) copies of responses to the following data requests:

AG 2-1 Please describe the commodity rates that customers would have paid had the Companies continued to purchase their own gas supply.

AG 2-2 Please provide the analysis to support the statement that "the alternative proposals either produced less value than other conforming proposals, or were based on an index structure that would increase risk to the Companies". Please provide copies of the alternative bids to which this statement is referring.

AG-2-3 Please describe the "increased risk" the Companies claim that they would face from a proposal based upon the "index structure" proposed in the alternative bid.

AG 2-4 Please provide copies of the Companies' questions to bidders and the bidders' responses.

AG 2-5 Please provide for each Company the capacity amounts in Mmbtu's that will be subject of the capacity management agreement and available to El Paso as of November 1, 1999.

AG 2-6 Please provide for each Company the capacity amounts in Mmbtu's that would have been available for management prior to the capacity restructuring referenced on pp. 13 - 16 of the Explanatory Statement date September 15, 1999.
